

# Response from Brett Knudsen (D), Candidate for U.S. House of Representatives

Hello,

Would you be willing to complete a short survey on policing? As a citizen advocate for police officers, I'd like to measure the candidates' responses, which I plan to publish on my blog at <https://fortheblue.substack.com/>

Please let me know if interested, and I'll send the questions.

Thanks for your time.

**Thank you for reaching out Paula! I unfortunately dropped out of the race about 48 hours ago.**

**But, I am an Abolitionist. So, if you'd like to engage in dialogue with the opposite beliefs, I'd be happy to participate!**

**All the best,**

**Brett**

My reply:

Sorry to hear that. I know how difficult it is to run a campaign.

I might take you up on your offer at some point. Diverse viewpoints are essential to our nation's health.

All the best,

**It was definitely a financial toll! I appreciate your efforts as well though, agree or not, to have passion for what you believe and believing in dialogue is paramount to a healthier future!**

**Maybe after midterms when you're less busy!**

**Thank you for all you do.**
